Date Filed: April 27, 2001
For: DIODE LIGHTING SYSTEM

Docket No.: P-20

RESPONSE TO RESTRICTION / ELECTION REQUIREMENT

Responsive to the Office Action mailed March 26, 2003, and also to the Office Action mailed May 27, 2003, applicant provisionally elects the invention defined in Group I, including claims 1-41 and claims 92-115, drawn to a lighting system for stage and architectural lighting. Applicant reserves the right to file one or more divisional applications for the non-elected set of claims, Group II, including claims 42-50 and claims 51-58.

A check for \$55.00 was originally filed with the response to the March 26, 2003 Action, to extend the due date to May 26, 2003. As the second Action set the due date for June 27, 2003, no extension of time fee should be necessary, and applicant requests that the \$55.00 paid be refunded to our account no. 10-0100.

This application now appears to be in better condition for examination. Early examination is respectfully requested.
